KADİR CANATAN

Prof. Dr. KADİR CANATAN

After graduating from Ankara Atatürk High School in 1988, he went to the Netherlands within the framework of family reunification. He completed his undergraduate studies in Social Work at the Rotterdam Social Academy and then in cultural anthropology at the Free University of Amsterdam. After the education period, Canatan worked as a researcher and consultant in various research institutions for a while.

Between 1986-2001, he completed his doctorate in Rotterdam Erasmus University, Department of Sociology. In parallel with and after the doctorate, he worked at Utrecht State University and some research institutions. In 2005, he decided to return to Turkey for sure and started to work as a faculty member in the Department of Sociology at Balıkesir University. In 2013, he transferred to Istanbul Yıldız Technical University, Department of Sociology and retired from there. He is currently working at Istanbul Sabahattin Zaim University, Department of Social Work.

Canatan, who has various published copyright works, translation books and articles, has many studies in the field of sociology, especially on issues such as minorities, multiculturalism, integration and migration. Some examples of his recent studies are: "Family Sociology" (ed.), "Sociology of the Body" (ed.), "Muqaddimah: Classical Social Sciences Dictionary", "Multiculturalism, Integration and Islam in Europe", "From the Perspective of Ibn Khaldun" Sociology of Knowledge", "National Minorities in Europe: The Dutch-Friesland Case", "Islamic Political Thought and the Tradition of Politics", "Sociology of Expression", "Sociology of Migration", "Future of Modern Society" etc.
